

Humane Society of Sonoma County Asilomar Accord Statistics 2017

The Asilomar Accords outline principles that guide animal welfare organizations to work together to save the lives of companion animals. Without the Asilomar Accords, definitions and reporting methods varied from group to group, making understanding of information difficult, if not impossible, across organizations. By utilizing a standard language for statistics, shelters and their supporters are able to easily and clearly track progress both at a specific shelter and across shelters nationwide.
